GOVERNMENT OF INDIA.

(FINANCE DEPARTMENT).

Notification dated 15th January 1945.

Letter No. D. 7806 B—44, dated 19th November 1944, from the Under Secretary to the Government of India, New Delhi, to the Financial Secretaries to all Provincial Governments and all Chief Commissioners.

Subject :—Small Savings Scheme.

I am directed to refer you to this Department letter No. D. 4532—M—44, dated the 29th of May 1944, and to say that it has been represented to the Government of India that considerable delay takes place in some Treasuries when payment is made on unfinished Receipt Books and that such payment is only made after the endorsement "Checked and Commission paid" to be made on the counterfoil, has been countersigned by the Deputy Commissioner or other District Officer. It was not the intention of the letter under reference to enforce such countersignature. The original orders issued in this Department letter No. F. 17 (139) F—43, dated 27th of November 1943, provide for the checking of the counterfoils of the Receipt Books by "Checking Authorities" of the small Savings Scheme before their presentation at the Treasury for payment of the commission. It has now been decided that for unfinished Receipt Books, the Treasury should check the counterfoils on which payment is to be made, to see that the reverse of each counterfoil has been duly completed by the Postal Authorities and the receipt of the investor obtained, and if these are in order, pay the sum due. If not, payment should be refused and the claimant be referred to the "Checking Officer." When, however, a book has been exhausted (all the receipt forms used), the Treasury shall pay, only on presentation of the book with the last counterfoil duly completed by the local "Checking Officer." In short the Treasury Officer will exercise a check in respect of the counterfoils on which commission is claimed in a partially used book, but when the book is completely used, will not pay any balance due, without the book having been examined and checked by the "Checking Officer."

2. There are instances in which an Agent resigns or is dismissed before his Receipt Book has been finished. In order to avoid wastage of paper it has been decided that such unfinished books may be re-issued to another Agent. In such cases the name and address appearing on the counterfoil of page 1 of the Receipt book will be scored out and replaced by the name and address of the new Agent, to whom the partially used book is issued under the signature of the Issuing Authority and a manuscript receipt for the partially used book in the form at page 1 can be taken from the new Agent, which receipt will show the actual number of unused receipt forms he received in lieu of the printed number shown on page 1, which is the number in a complete book.
